About KP Sanjay

MD & Founder

KP Sanjay is the founder of www.kpsanjay.com. KP Sanjay is a seasoned export professional with over a decade of hands-on experience in the global trade industry. With a strong foundation in international business, he has successfully built a reputation as a reliable exporter and consultant in the field of fruits, vegetables, spices, and agricultural machinery.

Over the years, he has successfully expanded his export operations to more than 12 countries, serving clients across the Middle East, Asia, and other international markets. His in-depth understanding of global trade practices, quality standards, and logistics has positioned him as a trusted name in the export ecosystem. What truly sets KP Sanjay apart is his commitment to providing end-to-end support for exporters.

- ✓ We don't just consult — we train with real execution
- ✓ We guide you step-by-step in actual export business

→ Testimonials

Dipesh Patel

Import Export Professional & Entrepreneur

"KP Sanjay Learning platform completely changed my understanding of global trade. The practical modules, real-world case studies, and expert mentorship gave me the confidence to start my own export business. Highly recommended for anyone serious about international trade!"

Ankit Verma

Startup Founder

"This export Pathshala course gave me complete clarity on import-export procedures. From finding buyers to handling documentation, everything is explained step-by-step. Within 3 months, I closed my first international deal."

Pooja Desai

Homemaker to Entrepreneur

"I always wanted to start something of my own. This course helped me build confidence and understand global markets. Today, I export handmade products internationally!"

Kiran Patil

Small Business Owner

"Documentation and compliance were always confusing for me. After joining this course, everything became clear and easy. Now I handle exports without any fear."
